Dear Sir:

We call your attention to our large stock of Azaleas which are in prime condition for Easter and for which we solicit your early orders. You will have better results from your plants and will net better profits by securing your supplies early than when shipped later in the season when the buds are further advanced, and, furthermore, the early buyer secures the pick of the stock.

We will not be responsible for injuries arising from late shipments when the buds are developed but we guarantee the safe arrival of all express shipments made at an early date.

We offer fine, bushy well-budded plants in the following sizes, in which we can include 25% of Mme. Van der Cruysen if desired.

10 to 12 in. crowns,	\$5.00 per dozen;	\$40.00 per 100.
12 to 14 " "	\$6.00 " "	\$50.00 " "
13 to 15 " "	\$9.00 " "	\$70.00 " "

In sizes above 13 to 15 inch we can now only offer Bernhard Andreas Alba the best of the double whites in bushy plants with:

16 to 18 in. crowns	\$12.00 per doz.
18 to 20 " "	\$18.00 " "
20 to 22 " "	\$24.00 " "

Yours truly,

P.S.

We are supplying, at the present time a line of made up Kentia Forsteriana, 4 plants in a 12 in. tub, from 6 to 7 ft. high, at \$15.00 each which are of better value than anything we have ever been able to supply in the decorative line.
